Certified Copies: Ensure the person signing this form also stamps your

Passport or Licence copies with the phrase: I certify this to be a true and accurate copy of the original document sighted by me.

If you are sending this form from Overseas to Australia, you may need a Notary Public rather than a J.P., as J.P. signatures are sometimes only recognized domestically.

Proof of Authority: If you are an Agent & or Manager, it is a good idea to attach the Management Agreement or Power of Attorney document as an Annexure.
